

# SJX

---

Meeting & Conference

# Versatility

kept simple...

The SJX selection of frame type, upholstery options, finishes and accessories allow you to create the style you need.

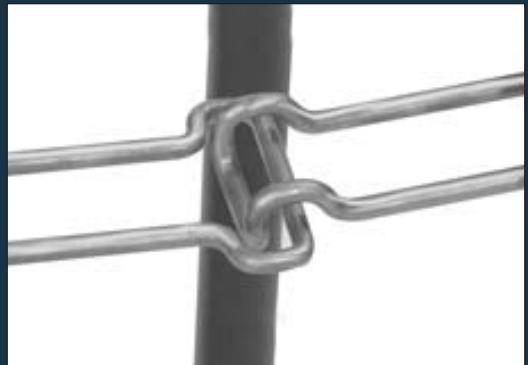

---

**Easy storage**

When not in use, both cantilevered or four legged SJX can be stacked vertically 5 high to reduce the amount of space taken.

---

**Let's get together**

SJX can be quickly and simply linked across the ranges regardless of arms, frames style or writing tablet.

---

**Move along please...**

As well as having a light-weight frame, SJX has been developed with the option of castors allowing freedom of movement.

# Populate

your environment...

Whether waiting, meeting, relaxing  
or dining, SJX is the answer.

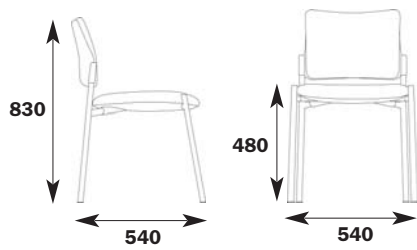

# Form that follows function

SJX has been designed to offer stylish solutions for public area seating.
